Christian Baudis is a **Digital Entrepreneur, Futurist** and **former Google Executive**. He has **founded several European Start-Ups** successfully and has held leading CEO positions in the European Media and Internet Sectors for more than 20 years.

Christian Baudis advises International Investors & Corporates in their Digital Strategy and is also a **renowned Keynote Speaker**. He was elected several times to Germany's leading Internet & Media Managers and is a **recipient of renowned digital awards**. He studied International Management at the Luigi Bocconi University in Milan and the Johann

Wolfgang Goethe University in Frankfurt. **Christian speaks five languages fluently.**

Christian Baudis recently founded [My Digital](#), a digital Innovation & Consulting Firm which successfully manages the digital transformation of our times. My Digital operates in three business areas: My Digital Business (Companies & Organizations), My Digital Start-Up (Start-Ups & Investments) and My Digital Future (Consumer Innovations).

During **his speeches**, Christian not only gives plenty of **examples from his own life as digital expert** but he also motivates people to **learn and apply the basic rules** to help you become efficient in your digital strategy. His speeches are very much alive – just as Christian's personality! Christian loves to share his experience with others and to spark people's interest over the wonderful topic of digital strategy and digital skills.
