Gonzalo Leandro Vilariño is a **national physical education teacher, trainer, high performance sports lawyer and soccer coach**. More than anything else, He is a professional **challenge-seeker**. He makes his team understand that a sincere belief in themselves and their capabilities can transform them into the best they could ever be.

Vilariño is the head coach of the **Argentine Powerchair Soccer National Team** and has also served as the head coach of **Los Murciélagos (The Bats)**, the **Argentine Blind Soccer National Team**, where he won two World Championships and two Paralympic Medals under his leadership.

Vilariño has had several lectures, trainings and coaching for different companies since 2006 motivating young and dynamic people on various subjects such as **ethics & social responsibility, Arts & humanities, sports & adventure** etc.
